

## our ultimate fundraising guide to your perfect sporting event at home

If you love sport you can enjoy your favourite game at home, and support Yorkshire's Brain Tumour Charity too.

1. Invite your family and friends (according to current Government guidance). If anyone can't be there in person you could still set up a virtual party so they don't miss out.
2. Set a date, you can hold it anytime, ideally when your favourite sporting event happens.
3. Select a suitable garden, with enough space for everyone to keep the required distance, whilst restrictions are still in place. You could mark out your area on the grass to ensure you each have space! Bring your own chair like you would have in the sporting stadium. Be prepared for all weather as you are outside; bring your bobble hat, umbrellas and sun cream which are all necessities.
4. If it is dry, or you have a cover to pop your tv underneath, you could watch your sporting event or listen to it on your favourite radio station. Why not download your favourite songs that the crowd would usually sing so you can recreate the atmosphere, such as when your team score a goal?
5. You could bring your own drinks and food, or order them to be delivered. A cool bag is a great way to keep your drinks cold as well as your pack up. Remember to continue following the current Government guidelines to keep safe. Use disposable or your own re-usable cups, cutlery and plates to stop any potential spread of the virus. Please respect your friend's garden and take your rubbish away with you.
6. Get creative! You may not be amongst the crowds but you can create the effect. You could buy cardboard cut outs of your favourite sporting heroes online or make your own, and create cut outs to replicate the crowds.
7. Get your fancy dress on! Half the fun of dressing up at events like cricket matches can be done at home. You can get your essentials and support YBTC by buying our sports fan package online here [www.shop.yorksbtc.org.uk/product-page/sports-fan-package](http://www.shop.yorksbtc.org.uk/product-page/sports-fan-package) Don't forget our charity shop at No 31, and online shop have some great fancy dress outfits too!
8. Pack plenty of hand sanitiser, disinfectant wipes and sprays. Again, please follow the current Government guidelines on entering private households - for example to use their toilet. You could even ask your guests to make a donation to use your fancy loo!
9. Remember to share your photos with us using #GardenFest on Facebook, Instagram and Twitter @YorkshireBTC
10. Donate the cost of your ticket, travel or your half time beer and burger to YBTC

Please note that we advise all our supporters to follow the most up to date Government guidelines on COVID-19. The information we have given is only a guide, and as Government advice changes on a regular basis we ask that you adhere to that to ensure you remain as safe as possible.

## how to raise funds and donate them to Yorkshire's Brain Tumour Charity

There are various ways that you, your fellow festival goers and sporting buddy's, can donate to YBTC quickly and securely.

### donate via text message:

One of the easiest ways to donate is to send a text message.

If you'd like to give but do not wish to receive marketing communications, text GARDENNOINFO followed by the amount you want to donate to 70460. For example:

Text GARDEN 1 to 70460 to donate £1  
Text GARDEN 3 to 70460 to donate £3  
Text GARDEN 5 to 70460 to donate £5  
Text GARDEN 10 to 70460 to donate £10

Or you can donate any whole amount between £1 and £20 by texting GARDEN followed by the amount you wish to donate.

Texts cost your donation, plus one standard rate message and you'll be opting in to hear more about our work and fundraising via telephone and SMS. If you'd like to give but do not wish to receive marketing communications, text GARDENNOINFO followed by the amount you want to donate to 70460. Please note that some mobile phone providers do not include texts to short codes (such as 70460) in their data bundles. If you experience issues sending your text, you will be sent a helpline telephone number, they can assist you.

### donate online:

At YBTC we have created an online giving page especially for GardenFest, using an online platform called Visufund. This means you can make a donation of any amount by simply visiting <https://visufund.com/gardenfest-2021>

Choose the amount you want to donate, enter a message and photos if you wish and your donation will show on the page as a beautiful flower. The more donations we receive on this page will fill our garden with flowers.

### other ways to donate:

If you would prefer to use an alternative method to donate the money you raise, such as posting a cheque or making a payment by bank transfer, please contact us at [info@yorksbtc.org.uk](mailto:info@yorksbtc.org.uk)

Please note that we advise all our supporters to follow the most up to date Government guidelines on COVID-19. The information we have given is only a guide, and as Government advice changes on a regular basis we ask that you adhere to that to ensure you remain as safe as possible.
