

# in loving memory

"Maci was a happy healthy 13 year old, until she had the devastating diagnosis of a brain tumour. She gained her angel wings in 2017. YBTC have been there to support us as a family, and we have fundraised tirelessly to raise money to help families like ours and fund vital research. There is no cure for brain tumours and very little funding into research. There has been no change in treatment for the last 40 years! Could you imagine hearing that if this was your child? We had so many questions and very little hope, we want to change that so no family has to go through what we did."

- Maci's Mum

**Supporting Yorkshire's Brain Tumour Charity is a lasting and meaningful way to remember your loved one. If you would like to make a donation, or raise funds in their memory, we are here to support you every step of the way.**

If you would like to make donation in lieu of flowers or through a collection at a funeral or memorial service, many funeral directors will be able to arrange this for you.

Your chosen funeral directors will send donations directly to us at Yorkshire's Brain Tumour Charity.

If you would like to arrange the collection yourself, please contact us and we can provide envelopes for your family and friends to make individual donations. These envelopes include information that enables us to claim Gift Aid on donations from UK taxpayers, at no additional cost to you, your family and friends. When all of your gifts have been received, we will inform you of the total amount raised in memory of your loved one.

If you prefer to make a donation online you can add photos and leave a personal message, which appears in a star on our special page, for your loved one at [www.visufund.com/yorkshires-brain-tumour-charity-stars](http://www.visufund.com/yorkshires-brain-tumour-charity-stars) You can also set up your own page and invite your family and friends to donate. If you would like us to help you do this, please do not hesitate to contact us.

Many people choose to set up a regular donation in memory of a loved one. This is a special way to remember them on a weekly, monthly or annual date of your choice which could be an anniversary or birthday.

A regular donation helps us to plan services and to react to the needs of patients with a brain tumour and their loved ones, across Yorkshire.

You decide how much and how often you wish to donate. This can be done by setting up a standing order or direct debit, or if the company you work for operates a Payroll Giving scheme this is a perfect way to make your donation.

If you would like to set up a standing order or direct debit please visit [www.yorksbtc.org.uk](http://www.yorksbtc.org.uk) and select the 'other ways to donate' link under the Loving Giving heading. Alternatively you can contact us at [info@yorksbtc.org.uk](mailto:info@yorksbtc.org.uk) or ring us on 0113 340 0111.

**Yorkshire's Brain Tumour Charity support anyone that has been diagnosed with, or affected by, a primary brain tumour in Yorkshire. Our support is for adult and child patients, as well as their family and carers.**

**If you have lost a loved one, you can access our support anytime and for as long as you need.**
